Position Announcement

**Title**
Natural Resource Technician – Project Position

**Location**
USDA Ag Service Center, Okanogan, Washington

**Description**
The Okanogan Conservation District is seeking a highly motivated individual to fill a project duration Natural Resource Technician position. The incumbent selected will be focused on assisting residents with water conservation projects to minimize impacts of drought conditions.

The Okanogan Conservation District is a dynamic organization comprised of volunteer board members and paid staff members that are leaders in “on the ground conservation”. We seek an individual that will complement our highly productive, energetic, and skilled staff to deliver quality conservation programs to Okanogan County residents.

We are seeking to immediately fill one new position to help address our time-sensitive workload. Incumbents with an agricultural or water management experience and are highly motivated to assist landowners in a cooperative working relationship to conserve water are encouraged to apply.

**Wages and Benefits**
The incumbent will be an hourly employee earning $15.00 - $20.00 per hour DOQ. They will also be eligible for District benefits package which includes medical insurance, 10 paid holidays per year, vacation leave, and sick leave.

**Application Deadline and Instructions**
This position is open until filled. **Applications will be reviewed as they are received.** Our intent is to have the incumbent start no later than June 17, 2019. Contact the Okanogan Conservation District office for detailed position descriptions.

Applicants must submit a cover letter, resume, and three references (at least two of which are professional) directly to:
